Dear Parents,

Summer vacation are starting from 18th May 2026 to 21st June 2026 and school will reopen on 22nd June 2026. During the summer vacation try to spend quality time with your children.

In this summer vacation, we have planned some holiday homework such as activities, worksheets and many more for children to enhance his/her learning skills in a fun filled way and to ensure that they will continue the learning process within the security of their homes. Please make sure that your child keeps in touch with reading, writing and practicing school work.

IMPORTANT TIPS FOR PARENTS AND STUDENTS

- It's SUMMER TIME again. Time for strengthening family bond, tying threads of family tree, sharing joys and sorrows, having a good time together. Do shower your love and care on people you meet and get loads of blessings in return.
- Follow a routine.
- Start your day with yoga and exercises.
- Eat healthy and nutritious food.
- Help your family in household work.
- Enjoy indoor games.
- Take good care of your health and hygiene. Avoid heavy and oily food and increase intake of fresh fruits and water to keep yourself well hydrated and energetic.
- Use Holiday Homework as an opportunity to spend quality time together. Let your child take the lead and use his/ her imagination, creativity and knowledge to do the assigned task. The role of the parent is to be a facilitator and guide to steer the child in the right direction. He/ She will find his own destination. Original work of students will receive greater recognition and appreciation.

This way, you can make vacation more interesting and meaningful. We are certain that you will cooperate with us always in endeavour. I thank you all for your support.
